

## HOCKEY IN FOCUS OVERVIEW

Come learn the game of hockey from professional instructors who have your developing hockey players best interests in mind. We pride ourselves in our knowledge of teaching hockey fundamentals. We will work with each participant on a personal level to insure that we are teaching them the proper skills. We will take the time to teach the students at their pace so that they can properly develop their skills.

Each practice plan is designed by Certified USA Hockey Coaches who are dedicated to the success of player development.

## HOCKEY 'IN FOCUS' OUTLINE

*Hockey In Focus* is a program designed for beginner, intermediate and advanced hockey players and players wanting to continue their hockey development. Participants should have a basic skating background and/or have participated in our Learn to Skate program and have passed Basic Level 4 or Hockey Level 2.

This program is intended to introduce basic/advanced hockey skills and concepts while maintaining a focus on proper skating techniques that are necessary in the game of hockey. Participants will learn proper puck handling, shooting and passing techniques, stressing proper body positioning and balance. Participants will develop their skills through both group and individual instruction. Each session is 1 hour and available to all ages.

### Main Development Skills

- Proper Skating Techniques
- Power Skating
- Puck Handling
- Shooting
- Passing
- Positioning
- Team Concepts

### DEVELOPMENT STATIONS:

Participants will be divided into small groups based on their age/skill level. From there we split up into different stations and focus on specific skills. This gives your child the opportunity to work 1 on 1 with the instructor to help them reach their maximum potential
