ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the **Learn to Skate USA** program and those who are full members of **U.S. Figure Skating**. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six should receive an award.

Eligibility and Test Requirements:

Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic Skills 1-6** skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the **Pre-free skate, free skate 1-6, test track and well balanced levels**, eligibility will be based only upon highest free skate test level passed (Moves in the Field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below his/her class level, the chairman and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors.

ENTRIES AND FEES

The entry fee is \$55.00 for the first event and \$20 for each additional event. <u>Only online registration will be accepted.</u> Online entry with secure credit card payment is available at the Centerpoint Community Ice website (www.centerpointcommunityice.com) through www.entryeeze.com. Online entry must be completed by midnight on <u>October 14, 2017</u>. Notification of competition and practice times will NOT be available by phone, mail, or email. Skater and Coach Schedules will be available via the web at centerpointcommunityice.com. Any late entry, if accepted by the competition committee, must be accompanied by a \$25.00 late fee. Full refunds, minus the online processing fee, are available if withdrawal is prior October 14, 2017. After October 14th 2017, entry refunds are only available if the competition is not held or there is death in the competitor's immediate family. There will be NO medical refunds given. Refunds will be returned to your credit card as soon as the competition committee determines that a refund is due. When you register online, the processing fee is not refundable for any reason. There will be a \$25.00 change fee for change of each event or level after September 3, 2016. Furthermore, if only one competitor signs up for an event, an option of an exhibition performance will be given, rather than an automatic cancellation of the event.

AWARDS

All events will be final rounds. Everyone will receive an award. Medals will be given for first, second, and third places. All other places will receive ribbons.

COACH REGISTRATION

No coach may stand with a skater without proper credentials. Coach verification will be checked through USFS prior to the competition. If a coach/instructor attempts to work without the proper

credentials, he or she is in violation of U.S. Figure Skating ethics and code of conduct rules and, as such, is subject to disciplinary action.

SCHEDULE OF EVENTS

A tentative schedule of events will be available on or about **November 10, 2017**. The schedule will be posted on the Centerpoint Community Ice website (<u>www.centerpointcommunityice.com</u>).

PRACTICE ICE

Practice ice for individual skaters will be available before the competition. Practice ice will be available to reserve two weeks prior to competition. The pre-paid rate for practice ice is \$7 for 20 minutes per skater. Skaters will be able to choose their own practice ice online after the schedule is posted. No music will be played on practice sessions.

MUSIC

All competition music must be turned in at the time of registration. Each CD must have only one music track. No CD-RWs will be accepted due to compatibility reasons. CDs must be clearly marked with the skater's name and event. Competitors must have suitable emergency backup music at rink side. Skaters should remember to pick up their music at the registration desk after their event. No CDs, once registered, will be returned to the skater until the end of the event.

VIDEO TAPING AND PHOTOGRAPHS

<u>Photography of the event will be included in the entry fees, courtesy of Serendipity Photos.</u> Competitors will receive a link to download photographs after the competition. Any arrangements for video will be emailed out to competitors prior to the competition. **No flash photography is allowed while skaters are on the ice**. Videotaping/photography of any event for personal profit is not allowed. No video equipment may be plugged into arena outlets.

DRESSING ROOMS

There are locker rooms (including bathrooms and stalls) available for changing into skating costumes. No changing should be done in the public restrooms.

FACILITY

The competition will be held at Centerpoint Community Ice, 19100 E Valley View Parkway, Independence, MO 64055. The Centerpoint Community Ice surface measures 85' x 200'. Locker rooms will be available for competitors. The facility also has a pro-shop with skating accessories.

SHOWCASE EVENTS:

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.2 deduction will be assessed by the referee against each judge's mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description. * For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org.

Showcase categories may include:

- Levels can be subdivided, if necessary, depending on entry numbers and event set up
- **Dramatic entertainment**: Showcase program utilizing intense emotional skating quality to depict choreographic theme. Light entertainment: Showcase program emphasizing such choreographic expressive qualities such as comedy, love and mime while incorporating skating skills.
- **Duets**: Theatrical/artistic performances by any competitors. **Mini production ensembles**: Theatrical performances by three to seven competitors. **Production ensembles**: Theatrical performances by eight to 30 skaters. Theater On Ice teams are eligible as production ensembles. NOTE: Skaters may enter only one each duet, mini production or production event.

Following the warm-up, all skaters except for the first skater will be escorted to a soundproof locker room or another area of the arena. The first skater will hear the music one more time and then perform a program to the music. As each skater performs, the next skater in line will be allowed to hear the music for the third time before they perform to the music. The listening skater will not be allowed to view the performing skater.

- A solo pattern dance competition event will consist of the skater performing two solo pattern dances.
- The patterns to be skated depend upon which quarter of the year the competition is held. The skater will perform the two pattern dances listed for his/her level, based upon the date of the competition. If the competition falls over two quarters (for example, June 30th July 2nd), the dance will be selected based on the start date of the competition listed in the announcement (in this example, the 2nd quarter).
- Skaters will complete both of the dances at each level. Dances will be scheduled at the discretion of the Chief Referee for each competition and may be competed consecutively or with a break in-between pattern dances groupings.
